## LEMON GROVE CITY COUNCIL STAFF REPORT

Date 1.1

Mtg. Date September 15, 2015

Item Title: City of Lemon Semi-Annual Investment Report (January-June, 2015)

Staff Contact: Cathy Till, Finance Director

### Discussion:

The City of Lemon Grove's Investment Policy directs the City Treasurer to invest for safety, liquidity, and yield. City resources are organized and accounted for on a fund basis, with some of those funds being restricted for specified uses and others that are unrestricted. For investment purposes, however, the funds are invested as a pool. The Investment Report for the Period Ending June 30, 2015 shows a combined pool balance of \$22,274,201. In addition, the pool had combined interest earnings of \$25,521 from January 1-June 30, 2015. Interest for the period continues to reflect the lower rates currently being offered on safe, short-term investments, although the City is starting to invest in conservative longer term instruments.

The City is in compliance with the adopted investment policy and is able to meet its expenditure requirements for the next six months. The following table shows a summary from the City, Sanitation District, Roadway Lighting District and Successor Agency for the period January-June, 2015.

	BOOK VALUE	% OF TOTAL	YIELD	INTEREST EARNED
Multi-Bank Securities	\$ 2,458,093	15.8	.0%*	0*
Local Agency Investment Fund (LAIF)	\$11,324,258	72.6	.21%	23,407
US Bank	\$ 1,804,359	11.6	.01%	184
<b>TOTAL</b>	<b>\$22,274,201</b>	<b>100%</b>		<b>\$25,521</b>

\*In January, the City started investing in longer term bonds with Multi-Bank Securities. The terms range from 12-60 months and the yields range from .45% to 2.0%. As the investments mature, the City will start to realize a better return on investment than it currently has in LAIF.

### Conclusion:

Staff recommends that the City Council receive and file the investment report for the six months ended June 30, 2015.
